"SHADOW AND SUBSTANCE" K&K SPRING PRODUCTION

Armando Citarella, director of the Knights and Knaves, has completed castings for "Shadow and Substance," which is slated for production early in March. Most of the cast members have had previous stage experience, which should ensure an outstanding evening of entertainment.

Paul Vincent Carroll's very successful comedy, bubbles with Gaelic wit and humor. It was an unqualified hit on Broadway.

The plot concerns itself with the conflict between Canon Thomas Skerritt, an aristocrat and classicist, and the local schoolmaster, Dermot O'Flingsley, a reformer. In her love for both. Brigid, the Canon's maid is caught in the middle of this battle.

All the action takes place in the Canon's rectory in Ireland and many laughs are provided by the foibles of the Canon and his parishioners.

David Essenfeld, a junior from New York City, who plays the crotchety Canon, was seen last year in the Sophomore Class Play, "Lucifer at Large."

A two year veteran of the K&K, Donal McGael, a senior from Westport, Conn., is the thorn in the Canon's side, as O'Flingsley. Frank O'Handley, a junior from Brooklyn, N.Y., appears as Francis O'Connell, a simpering aspirant to O'Flingsley's job as schoolmaster. McGael and O'Handley have previously been seen in "Angel Street" and "Cyrano de Bergerac."

As the appealing Brigid, Miss Patricia Stancliff, of Burlington, calls upon the experience gained in such K & K productions as "The Boor.," "Angel Street," "Cyrano" and "Light up the Sky."

Another talented colleen, Miss Margaret O'Brien, of Burlington, appears as the busybody, who is anxious to secure the job of schoolmaster for her nephew . Francis. Miss O'Brien has worked with Player's Inc., in past summers.

Fred Blais, Winooski, Vt., and Charles Calcagni, appear as two provincial parish priests Fathers Kirwan and Corr, who continually antagonize the Canon.

The role of Martin Mullahone, a blustering bumbler falls to Dick Lapan.

Jane Ann Daley of Burlington will snare many laughs as Thomasina, the Canon's niece who is out to land a man.

Seniors Solemnize 40 Hrs. Devotions In Caps And Gowns

On Sunday, January 17, 1954 at 9:30 A.M. Fr. Maloney will open 40 Hours Devotion with a solemn high mass of Exposition in the chapel.

He will be assisted by a deacon and a sub-deacon. Fr. Poirier will serve as Master of Ceremonies. The four class presidents will serve as torch bearers and the student council president as canopy bearer. The senior class will attend in caps and gowns.

There will be evening services on Sunday and Monday at 7 P.M., and a mass for peace will be offered Monday morning at 7 A.M.

The 40 hours devotion will close with a Mass of Reposition at 7 A.M. Tuesday morning.

Freshmen will be excused from class to attend the closing mass. The two masses on Monday and Tuesday mornings will be masses of The Blessed Sacrament.

All students are obliged to make at least one visit to the Chapel during the exposition of The Blessed Sacrament.

CRUCIFIX DRIVE QUARTER WAY

With the second week of the Crucifix Drive on campus coming to an end, 25% of the goal has been reached, about 62 Crucifixes.

Each hall now has a poster which signifies how their particular hall is progressing each day. St. John's Hall has donated 16 Crucifixes, far ahead of any other hall on the campus.

The drive will last the month of January and the first part of February in order to enable as many as possible to take advantage of the drive. The cost for donating a Crucifix is but $1.00, it will be inscribed with your name and a person you designate, and be placed in a room on campus to remind all Michaelmen of the great sacrifice Christ made for us.

The Sodalists CCD organization here on the campus, are in sincere hope that your donation TO CHRIST and for the College will benefit you and your many intentions throughout the years.

Off-campus students have responded generously to the drive and it is hoped that many more returns will be received each day.

New York Dominican Will Preach Retreat

The annual college retreat to be preached between January 27 and 30 by Rev. F.L. Reagan of the Dominican Mission Band in New York City will highlight an active religious program which has been scheduled to take place here at St. Michael's during the next month and a half. These will be in accordance with an upsurge in Church activity urged by the Holy Father during the Marian Year.

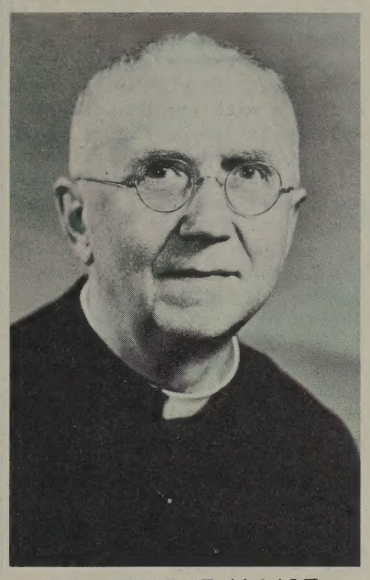
This will be preceded January 17 by the Forty Hours devotion to open this Sunday at 9:30 A.M. Dialogue Mass will be celebrated each Saturday morning in the Chapel.

February will open on Candlemas Sunday, on the 2nd, with a High Mass in honor of the Purification of the Blessed Virgin Mary.

Students will have their throats blessed on the feast of St. Blase, February 3, at 7:00 A.M. and later at 6:00 P.M.

The First Friday of the month will be celebrated with Communion Masses at 7:00 and 7:30 A.M., and the celebration of the Apparition of the Blessed Virgin Mary at Lourdes will be celebrated with a High Mass at 7:00 A.M. on Sunday, February 11.

FATHER ALLIOT MARKS 50TH YEAR IN S.S.E. WITH HIGH MASS HERE



REV. EUGENE ALLIOT

Rev. Eugene Alliot, S.S.E., a founder and former president of St. Michael's College, who has served the Society of St. Edmund and the Diocese of Burlington for 50 years, will sing a solemn High Mass of Thanksgiving on Thursday, Jan. 21, at 10:30 a.m. to mark the Golden Jubilee of his ordination to the priesthood.

The Mass will be sung in Austin Hall on campus in the presence of Most Rev. Edward F. Ryan, bishop of Burlington, visiting clergy and the student body.

ORDAINED IN MONTREAL

On the exact anniversary of his ordination at Montreal, Sunday, Jan. 24, Fr. Alliot will say the regular parish Masses at 8:30 and 10:30 for the Immaculate Heart of Mary parish in the Carmelite Monastery chapel at Williston.

Fr. Alliot is perhaps one of the most widely known priests in Vermont. Despite his duties at the college, he has done weekend ministry in virtually every parish of the state. He travelled by train, by horse and buggy and, during the winter, by sleigh to bring the sacraments to the far corners of the state.

FIRST MASS IN VERMONT

Fr. Alliot was ordained by the late Bishop Emard then of Valleyfield, at Montreal, P.Q., in St. Patrick's Cathedral. His first Mass was sung the next day in the Society of St. Edmund chapel in Swanton.

That same week he also offered Mass at the chapel at St. Michael's College. It was then located in the room which he was later to occupy as president and which Very Rev. Francis E. Moriarty, S.S.E., now uses as the president's office.

SM FOUNDER

He served in St. Anne's in Swanton as an assistant to Fr. Salmon until 1907, when he was assigned to St. Michael's. He was one of the founders, however, as he was an original incorporator of the then titled St. Michael's institute in 1904. He has been continuously a trustee since the College received its charter in 1913.

At the college he served in posts that correspond to those currently held by the dean of men and the dean of studies. He taught many subjects, especially Latin, French and Mathematics.

It was in the latter field that Fr. Alliot was often called upon as consultant. He served many years as treasurer until he was elected president in 1931. At the expiration of his term as president in 1934, he became the superior of the Society's theological seminary at Putney. In 1939, he was assigned as superior of the Seminary at Randolph. In 1947, he was made superior of the Juniorate at Swanton. For many years he has been a consultor to the Superior General, Very Rev. Jeremiah T. Purtill, S.S.E.

RETURNED HERE

In 1950, Fr. Alliot returned to St. Michael's, from which he administers the new parish in Williston and serves as spiritual adviser for the new Carmelite Monastery.

The priests who will assist him at his anniversary Mass include several who have special associations with him. The deacon, Rev. M.J. Trigory, S.S.E., of Putney, was a brother who served at Fr. Alliot's first mass. The subdeacon, Rev. E.J. Hamel, S.S.E., of St. Michael's faculty, was a schoolboy in St. Anne's parish when Fr. Alliot first went there.

FIRST BAPTIZING

Rev. Vincent B. Maloney, S.S.E., will give the sermon. The librarian at St. Michael's is the only member of the Edmundites he baptized. This was during weekend ministry at Hyde Park. Fr. Alliot can recall baptizing no other future priest.

Fr. Alliot came to this country in 1903 from his native France. He was born in Burgundy and educated at the Immaculate Conception College conducted by the Society of St. Edmund at Laval, France. He later taught there before studying for two years at the Sorbonne in Paris.

After the mass on Thursday, there will be a dinner for the clergy at noon. A public reception will be held from 3:30 to 5:30 in St. Joseph's Hall on campus.

FR. DUFORD OPENS CH CLASSROOM FOR EVENINIG STUDY

The big Business lab on the second floor of College Hall will be turned into an evening study hall.

Rev. Gerard Duford, S.S.E., dean of men, said that he had received a number of requests for study room. While Aquinas hall has been used by some, it was thought that it might be better to make available the room in College Hall.

"It's near the chapel, too", the dean said. "It'll be easier to apply the motto 'Work and Pray!'"

The idea will be tried as an experiment, Fr. Duford said. If it works out, it will be continued beyond the exam period.

SUNDAY MOVIE TOBE IMPROVED

Feature films, a new movie projector, and streamlined operating methods promise to bring many enjoyable Sunday nights to Austin Hall beginning January 17 when "Prince of Foxes" will be the bill of fare of the regular weekly series, which began last week with the showing of "Male Animal."

The new projector is being installed this week, and plans have already been completed for numerous operating improvements. Of these, the most important to the student viewer is perhaps the absence of the jumping picture and avoiding of the intermissions between reels. The movie committee expects a smooth, continuous production.

This Sunday's film stars Tyrone Power, Orson Welles, and Wanda Hendrix and is a dramatization of the best-seller about the Italian despot, Cesare Borgia, during the Renaissance and a young nobleman who deserts the court of the Borgias to defend the oppressed people.

On-campus movies will continue each Sunday evening and the series will broken only by conflicting with other campus events such as the annual Retreat. Admission has been set at a necessary 15¢.

Winter Carnival Tickets Available

Tickets for the Winter Carnival Weekend (Feb. 12-13-14) may be purchased from the following hall representatives:

O. H. II	Frank Welsh
O. H. III	Frank Mazzeo
RYAN I	Bob Sipple and Bill Badger
RYAN II	Ted Di Mauro
RYAN III	Richard Barone
RYAN IV	Jack Doyle
ST. JAMES	Dave Hurley
ST. WILL'S	John Cummings
ST. LEO'S	Art Morin
MIKETOWN	Walt Driscoll

The price of each ticket is $6.50, which covers the whole weekend.

The Carnival Committee announced that representatives will be appointed in each hall to handle voting for the Queen. The deadline for pictures is February 1. These pictures should be given to the representative by them. There should be 1 snapshot and 1 large photo of each candidate.

Preliminary elections will be held in the various halls and in the library for Off-campus, and Miketown students February 2, and the final voting will be held in the Dining hall February 3, at the noon meal only.

Since an honor guard is needed for the Queen and her court, anyone who is not planning to attend and would be interested in volunteering for this job, is asked to contact Dave Matson, Hank Cournoyer, Dick Burns or Len Frosina, all of Ryan I.

THANKS FOR THE MEMORY

This issue of the Michaelman marks the ending of an old and the beginning of a new era.

Beginning next semester there will be a new staff writing and editing the Michaelman.

The editor would like to make use of this opportunity to express his thanks to a staff both talented and devoted to the task which they so well carried out since last September.

Special acclaim should go to Bill Wigmore, Sports Editor, who all alone wrote and edited the sports page. To Bill Logue, Business Manager, who supplied the Michaelman with the business support which is so vital to the existence of a newspaper.

To Frank O'Handley, News Editor who distributed assignments and saw that events on campus were covered as closely as possible. To Mike Welsh, Make-up Editor, who spent many afternoons and evenings at the printers seeing that all stories were properly composed and ready to be sent into the presses.

To the battery of writers who accepted and carried out to the letter every assignment which was handed to them. To Mr. John Donoghue whose guidance and encouragement carried us through many crises major and minor. Last but far from least to Mr. Roy Kirby and the staff of the George Little Press Co., who personally saw to it that every issue came out on time and in accordance with our most pecune specifications.

It was the combination of all these which went to make it possible for the Michaelman to be published almost every week during the semester, a record which has not been equalled at St. Michael's for quite a few years.

No one effort or force made this possible but rather, the concentrated desire of a group of students who were determined to do something about trying to produce a better newspaper rather than merely criticize the efforts of the few who are willing to try.

THE LAST RESORT

Samuel Goldwyn, powerful motion picture figure, recently suggested that all censorship restrictions be lifted from the movies. He gives as his reason that the audience has become more adult and mature.

From this statement, we might infer that the motion picture industry has lost confidence to create clean entertainment and maintain its audience.

Technical improvements such as Cinerama, 3-D, and CinemaScope have apparently failed to stem the inroads of television.

With its back against the wall, the screen as a last resort, wants to open the floodgates of filth to become more blatantly pormographic than it is now.

It's an insult to the intelligence of the audience's mind to think that it would be satisfied with inferior fare.

The movie magnates have all along failed to recognize their moral obligations. In their cupidity, they have ignored the undermining effect that smut inevitably produces on impressionable minds.

The best remedy for this, would be for Mr. Goldwyn and his cohorts to have cameras tied about their necks and be cast into a sea of red ink.

U.S. STUDENTS TOUR EUROPE

Enrollment is open for a limited number of college students to join a planned Study Abroad Inc., tour of Europe next summer, for which academic credits will be awarded.

Taking the form of a study-tour directed by Dr. Rudolph E. Morris Associate Professor of Sociology at Marquette University, the purpose of the excursion, apart from the general interest in sight-seeing, will be to study the political and social problems of European Catholicism.

The tour will begin June 30, in Germany and extend through Austria, Italy, where an audience with the Holy Father will be included, France, and through the Low Countries ending in the Hague where the party will take off by air for the United States on August 15.

Further information and application should be directed to Dr. R. E. Morris Marquette University, Milwaukee, 3, Wisconsin. Word of the tour came from Dr. Joseph Mages, former SMC faculty member, now teaching at Marquette.

NOTES TAKEN IN EARLY SPRING

Scientists, whose reaching eyes
Record the stars that grace the skies,
Also peer through microscopes
At tiny things, wherein their hopes
Of finding nature's secrets all,
Quite stagger one with knowledge small.

But this I know and gladly tell
That you may likewise know as well:
Bread mold is not simply rotten,
(That thought should be soon forgotten)
Live there many creatures who,
Like us, are male and female, too.

Though it be winter, have no fears,
They need no spring for young ideas.
No musk, nor moon, nor music moves them,
But they do mate, when it behooves them.
And while they look alike to me --
The he can tell, and so can she.

I must go down to the show again, to the show where the villan dies,
And all I ask is a thriller and a cast that satisfies
And the camera's eye and the lens' ray and Metro's happy faces,
And a smug smile on the doorman as he admits me to intriguing places.

I must go down to the show again, for the call of the books is frightening,
And the pleasant thought of a western plot sets my heart a-flighting.
My fondest wish is some good star whose life is filled with romances
To take his place in my make-believe of recaptured movie trances.

I must go down to the show again, to my favorite hide-away,
where it's safe to mask my mirror self in the darkness day by day;
And all I ask is some simple yarn and happy fellow rover
And a quiet nap and a sweet dream when the hard day's over.

GLEE CLUB TAKES TO ROAD, AIRWAVES

The Glee Club resumed rehearsals this week with a busy schedule for the second semester. President Bob Wagner said that a few new members can be added for the second half of the year.

The club has been invited to take part in the Trinity Festival in May. There is a strong possibility that the club will sing at Our Lady of the Elms College next fall during the Golden Jubilee celebration of the college. Negotiations are under way.

Two of the selections which the club sang at the Christmas concert were used Christmas eve by WJOY in its Christmas greeting to the city of Burlington. The tape recordings of "The Hymn of St. Francis" and "The Winter Song" were received favorably.

One of the popular units within the Glee Club, the Varsity Voices, has been invited to sing this month at parish entertainments in Essex Junction and in Williston. The director, John D. Donoghue, hopes to develop several quartets within the club to give further variety to their programs. Those who wish to audition for the Glee club should get in touch with Bob Wagner or Mr. Donoghue. Sight reading is desirable but not necessary.

REVISED EXAM SCHEDULE

* Two-Year Program students

Because of the reduced number of exam days, many will have more than one exam a day. Conflicts or multiple exams on one day reported prior to Jan. 14, have been ameliorated as much as possible.

1) Exams on Wed., Jan. 20 will be held in the GYM.
2) There will be no exams on Thursday, January 21.
3) Exams on Friday, January 22, Saturday, January 23, and Monday, Tuesday, Wednesday, January 25, 26, 27 will be held in Austin Hall.

Please report any conflicts before 5 P.M., Monday, January 18.

GREETINGS FELLOW SUFFERERS...When the editor said there was an edition this week we had absolutely no ideas (as usual) for our six hundred words...so naturally we sat down immediately and wrote them...here they are!

Looks like Gable's a has-been since Sgt. Ducette is sporting a new fur piece beneath his nose...Sgt. (Perry) Malazzo is one quarter of a quartet that sings in the area...guess he took the hint when the Colonel asked him to sing Far Away. For those who didn't believe there could be a name for Monday night's meal it's called " Beef Fricassee "...we don't know too much about the " fricassee " part but it's true that when we first saw the meal there sure was a beef...think it was a little too obvious, though, when they brought out the " cornflakes " spoons.

Who's the " pardnah " from St. Leo's with the sombrero???...First time we ever saw a half-pint in a ten-gallon hat...Also because of his chapeau a certain Phil. Prof has acquired a new title...It's no longer " William of Colchester, " guys, now it's " Willie, The Lid. " The St. Pat protege, " Dennis, The Menace " is considering entering his name for the Golden Gloves...wonder when the time comes if he'll consider entering the ring???

THINGS MUST BE picking up in the Snack Bar...saw Doris with mink earrings...wonder what she bought them fur??? What former basketballer is now refin' the games because he didn't know enough about the rules to play on the team??? Recently we saw what must be the tallest Coffey ever to be served at the Chow Hall...Those two gourmets, John Calley and Bob (Hooks) Mancini, recently " created " using their lunch as raw material...the outcome??? A Catsup Sundae and Mustard Soup.

WE'VE BEEN WONDERING who has been doing the fine art job on the winter carnival poster? They show a big improvement over the advertising attempts in past years.

OLD SAM JOHNSON, though he lived in a era long ago past, came out with some observations which may very well be applied today, though in slightly different language. Take these, for example: " My sight was dazzled, my cheeks glowed, my perceptions were confounded " is expressed today simply by " I was gassed. " Or, " I returned home covered with academic laurels and frought with criticism and philosophy " may be expressed by the modern student as " I passed Logic, Ma. " Also, " A young woman newly arrived from the " Country, " who lived for five weeks with great regularity and became by frequent treats very much favorite of the family. "... I took a gal home from Trinity and the folks think she's the greatest. "

MISS. BOUDREAU NOW has an Italian scarf...Wonder how it matches her purple (A Ubangi Original?) hat??? The radio station is coming along all too slowly...We heard one guy say maybe they don't know watt's watt. Overheard a senior express his regrets about graduating, but when we asked him how he would like to start college over again he answered: " Once a king, always a king...But once a Knight is enough. "

A TRIBUTE....

The female mind is always clean,
If I am one to judge it,
Because it's changed so frequently
There isn't time to smudge it...

WE THOUGHT IT was odd when we heard that Father Larkin was on a sit down strike...However, we learned that he wasn't exactly in favor of it himself since it took place on the skating rink...bottoms up!!! More S.M.C. lads are due for physicals at the Fort...guess the medics couldn't believe their eyes the first time...such wrecks...ug! It is expected that the Infirmary will soon be filled to capacity what with exams coming up and all...you'd think they'd choose a safer refuge, the cowards.

WHEN THE BOYS from Senior Hall returned from vacation they found the water pipes frozen...had to use Old Hall water facilities...it must have been cute running across College Parkway with naught but a towel for garb when it was ten below...Seems the Vermont fathers have been wondering why so many of their sons have been leaving the state...we guess it's because they don't want to plow through life. A recent observation: the chow line seems to move at a speed comparable to that of a very old glacier. A chilling thought, no doubt.

SINCE THE HUMAN mind can only stand so much punishment, we say adieu - but it's not that easy...we'll be back.

Cagers Play Tufts In Boston Garden

Looking for their first court win over Tufts College, the Purple Knights of St. Michael's move into Boston Garden this weekend to meet the Jumbos in the preliminary to the Holy Cross-Notre Dame battle.

The Knights, twice beaten by Tufts in the past, hope to strengthen their squad and ttheir chances over Coach George Grimshaw's five, if at least one of two ailing starters can return to action. Both received leg injuries in practice sessions which kept them out of the state test with Norwich this week. The 5'2"sophomore and SMC's leading scorer should see some action. Young is also one of the top scorers and rebounders in New England with and average of 25 points and 20 rebounds a contest.

SAME LINE-UP

Should neither be able to start, the Knights will use the same line-up as in the Norwich game, with Bob Bolster and Bill Leuchten filling in-Freshmen Tom Lemanowicz and Bernie Cieplicki will hold down the guard slots while John Wegrzynski is at center.

Besides the Norwich loss, the Knights' only other loss this season was at the hands of another Massachusetts opponent, Brandeis down at Waltham. The Tufts game marks the third Bay State team Coach "Doc" Jacobs crew will face and the second of three trips the Knights' make into Massachusetts. St. Michael's plays host to Boston University in Burlington on Feb. 13, and then matches hoops with the Holy Cross Crusaders in Worcester on Feb. 17.

INTRAMURALS

St. James Hall strengthened its hold on first place in the basketball intramurals by whipping Ryan I 43-35. George Smith garnered a dozen for the St. James club while John Pierce and Tom Galuppo tallied 14 and 15 respectively for the losers.

John Lennon threw 11 markers for the Hoboes, who remained in the undefeated ranks by beating St. John's 27-21. Gerry Morrissey tallied 10 for St. John's. The Faculty moved into the win column by holding St. James Slap Happy Five scoreless in the last period. Father Stankiewicz and Prof. Hebert led the Faculty staff with 10 apiece in the 33-30 victory. George Corrigan's eight points were high for the Slap Happy crew.

In other contests, Dick Underwood of Ryan IV tossed in 11 points in the first period and 21 in the game to pace his squad to a 55-37 win over Essex Junction. Lou Brault was high man for the Off Campus five with 15. Luberger, Sullivan and Leonard all hit double figures as Winooski Off Campus trounced Ryan IV 49-33.

John Pierce and Tom Galuppo, both of the Ryan I combo, led the league in scoring with 43 and 42 points respectively. Bob DesRoches and John Lennon followed with 41 and 40 markers in league play thus far.

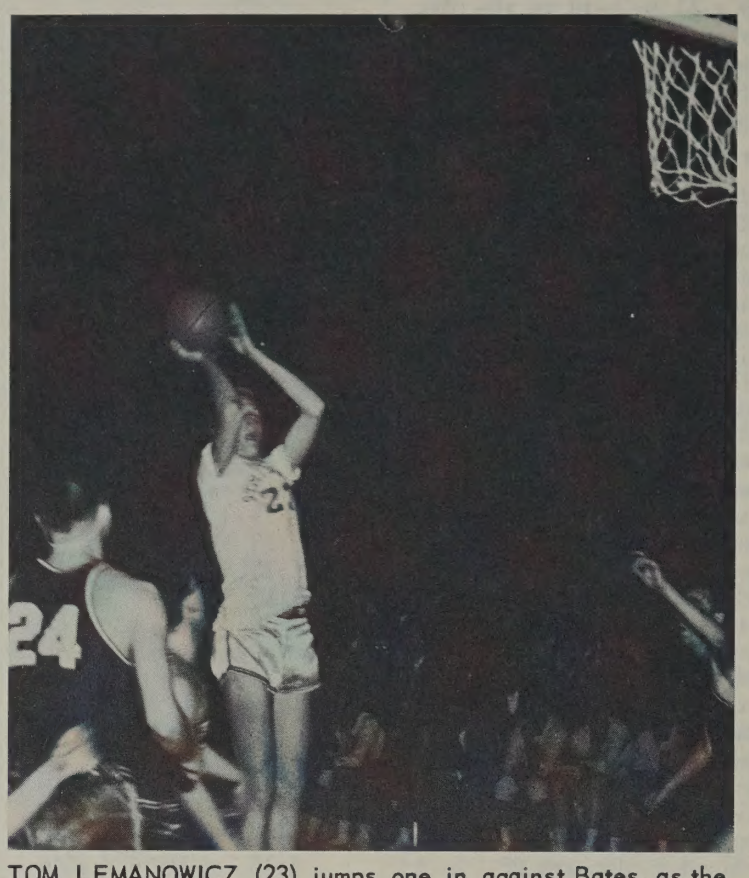
Knights Top Bates



TOM LEMANOWICZ (23) jumps one in against Bates, as the Knights trounced their Lewiston Maine opponents 77-55. Lemanowicz paced the Knights with 18 points.

An eight point spurt in the third period by freshman Tom Lemanowicz gave the St. Michael's cagers enough of a lead to outdistance the Bobcats of Bates 77-55 at Memorial Auditorium.

Several points down in the opening minutes of play, Lemanowicz and Young quickly tied the score and pulled SMC ahead for a 18-13 first period lead. Fast-breaking Bob Bolster helped the Knights to extend their lead in the second quarter, despite the play of Bates star, Bob Dunn. At the intermission, it was the Purple Knights on the better end of a 34-27 count.

CLOSE GAP

Bates closed the gap somewhat at the outset of the second half, before Lemanowicz tossed in his four field goals. After that the Knights' lead was never threatened and the breach opened to 19 points going into the fourth stanza. When Ward and Schroder fouled out for Bates early in the period, their offense collapsed completely and they picked up the remainder of their tallies from the foul line. Lemanowicz was high man for the Knights with 18 points while Bob Young hit for 14.

Knights Beaten 65-58 By Norwich Rally

A last period drive by the Norwich Cadets downed St. Michael's 65-58 at Memorial Auditorium this week in the Knights first state game of the season. Behind throughout the contest, the Cadets outscored SMC 23-13 in the last quarter to gain their ninth win in a row, their first over the Knights since the end of the war and their second in the state this year.

Bob Yeadon, of the Cadets, opened up the game with a one hander, but Leuchten quickly tied it up and it was all St. Michael's until the last stanza. Cieplicki's free throw and two fast lay-ups by Tom Lemanowicz set the Jacobsmen way out front. The same combination passed right around the Norwich full court press and zone for a 17-13 quarter lead.

Cieplicki widened the gap for the Knights at the start of the second period by tossing in three more sets. With Wegrzynski and Lemanowicz getting their share of the rebounds, St. Michael's held onto an eight point lead during the quarter. Dan Lambertson, of Norwich, hit from the outside three times to taper the Knights' margin, but Cieplicki tossed one in right before the buzzer. The score stood 35-30 at the intermission.

SLOW THIRD PERIOD

Both teams tightened up their defenses in the third quarter which slowed the game down to a standstill, each squad getting only four field goals. The Cadets, however, added four free throws and the Knights only two which cut the quarter lead to 45-42.

With about six minutes remaining in the final period, Chet Swejkowski swished the cords with a set shot to knot the contest 51-51. St. Michael's took it back for the last time on a foul shot by Bob Bolster, but then relinquished before a flurry of Cadet fast breaks. On the play of Dan Lambertson and John McNamara, Norwich outscored SMC 23-13 in that period and went on to win 65-58.

With 19 points, Tom Lemanowicz paced the Knights, while Swejkowski poured in 16 for the Benzmen.

Next State Foe Is Middlebury

St. Michael's cage squad will get it's second taste of state competition next Monday night at Memorial Auditorium, when they play host to the Panthers of Middlebury College.

At present, the two schools share the honors for the Vermont title which their 5-1 records last season in the state had granted them. In the two games of the 1952-'53 court year, St. Michael's dropped the first 73-71 but then came back to gain a 52-43 win. Over the years, Middlebury holds the edge on the Knights, winning 33 to SMC's 30.

Big man in the Panter starting line-up is 6'4" center Al "Sonny" Dennis. He has been averaging better than 23 points a game for the Panthers and at the same time taking off a good part of the Middlebury rebounds. Last season, the Knights held Dennis to only seven field goals and a total of 26 points for the two games.

The Panthers have picked up five wins this year and lost six. Victories came over Clarkson, Union, Massachusetts, A.I.C., and Amherst. They have been defeated by Dartmouth twice, Tufts, Army,

We assure you that there's nothing of interest to you here, so if you have any character at all, you'll go on to the next page. You're only wasting your time, so Stop!! Didn't you understand

Now we're half way through and you haven't stopped yet, you can't help reading the next line can you?

No indeed, we were right. You certainly aren't getting anything out of this, but still you go on. You act bewitched!

Haven't you any will power? There's no joke, so why not stop.

There are only a few lines left, but -- no will power, still you read on. You just haven't enough will power to stop from wasting your time by reading these last few lines, have you? No will power, eh? You do need a retreat.

FINANCIAL HELP FOR COLLEGES

NEW YORK, January 13-- Despite the increasing financial aid given to colleges by U.S. business, an estimated 50% of the country's private educational plants operate in the red.

If industry is to get more and better trained college graduates, corporations must provide much of the cash needed by colleges to expand their facilities and improve their teaching, and work more closely with colleges on business' needs, TIME, The Weekly Newsmagazine, will say in its business essay in the January 18, issue out tomorrow.

"Mutuality of Interest"

Businessmen and educators have not always recognized their "clear mutuality of interest...The rapidly expanding U.S. economy has made college graduates more important then ever to industry. In turn, universities must depend increasingly on corporations for contributions, since high taxes have all but cut off the flow of the big individual contributions that built the private schools."

Few people know how much industry already contributes. In 1954, business will donate well over $60 million to private colleges, plus additional funds for research and equipment, TIME reports. "But even this help is not nearly enough."

Specialization vs. Liberal Arts

At present, much corporate help covers only tuition, about half the cost of putting a student through school. Donations are sporadic--a flood in high-profit years, a trickle in bad; too many contributions are for specific scientific projects which tend to unbalance the college program.

"But while businessmen recognize the dangers of overspecialization, they have been reluctant to commit their firms to large-scale support of the liberal arts, partly, because they have feared stockholders' suits over college contributions that die not have crystal-clear benefits to the company," TIME says.

Blue-Chip Investment

Recently New Jersey courts upheld the right of the A. P. Smith Manufacturing Co., to make a $1,500 gift to Princeton University, ruling: "What promotes the general good inescapably advances the corporate weal."

"U. S. business is taking the lesson to heart," TIME says. "Corporate gifts are not regarded merely as a means of spending cheap tax dollars, but as a blue-chip investment that will eventually pay heavy dividends. Some 1,500 companies have learned that the best way to give is through corporate foundations...

"By investing heavily in periods of high earnings, a backlog can be accumulated to insure a steady stream of funds, thus enable educators to plan years ahead. But corporations still contribute far less than they are entitled to by law as a tax deduction(5% of net income)."

POSITIONS OPEN FOR TEACHERS IN INDIAN SCHOOLS

The United States Civil Service Commission has announced a new Elementary Teacher examination for filling positions in Indian Schools throughout the United States and in Alaska. The salary is $3,410 a year.

Appropriate education is required. No written test will be given. The maximum age limit is 50 years (waived for persons entitled to veteran preference). Students who expect to complete all the required courses within 90 days of the date of filing applications may apply.

Full information regarding the examination, including instructions on how to apply, may be obtained at many post officed throughout the country or from the U. S. Civil Service Commission, Washington 25, D. C.

WANT TO HELP VT ?

Portion of a letter sent to Prof. Granelli by the Vermont Development Commission.

"Would your department be interested in assisting to the extent of suggesting that your senior majors be assigned a term paper on 'a discussion of specific problems concerned with economic and industrial development within the state of Vermont.' The specific subject for each individual student could be suggested by the student or yourself. These papers should stress facts and figures, surveys and comparisons. The best of your department papers could be forwarded to the Development Commission, and a summary of the information contained would be made and retained as source material for industrial development activities."

LATEST COLLEGE SURVEY SHOWS LUCKIES LEAD AGAIN

Last year a survey of leading colleges throughout the country showed that smokers in those colleges preferred Luckies to any other cigarette.

This year another nation-wide survey—based on thousands of actual student interviews, and representative of *all* students in regular colleges—shows that Luckies lead again over all brands, regular or king size...*and by a wide margin!* The No. 1 reason: Luckies taste better.

Smoking enjoyment is all a matter of taste, and the fact of the matter is Luckies taste better—for 2 reasons. L.S./M.F.T. —Lucky Strike means fine tobacco. And Luckies are made better to taste better. So, Be Happy—Go Lucky!

Luckies give you finer smokes,
So buy 'em by the carton-
And if you haven't tried 'em yet,
It's time you got a-startin'!

MIDDLEBURY

Continued from page 4

Brown and Williams. Middlebury has one more opponent to face before running into the Knights and its another state battle with the University of Vermont. Coached by Tony Lupien, the Panthers have a veteran squad composed of seniors and juniors with a lot of depth on the bench.

After the Middlebury game, the Knights will lay off for exams and then resume action on January 30, against Bridgeport University. Then St. Michael's gets back to state activity against Vermont and Middlebury.
